Our goal is to have a great time and enjoy the outdoors. We will be camping a very short distance from where we park. Please plan to come and stay the whole time. It is challenging if you decide to leave to go to town or make other plans. Your son should plan to sleep with his own age group. We discourage adults and youth from sharing a tent. No youth is allowed in an adult tent unless it is a parent or legal guardian for any amount of time or for any reason. Do not bring any fireworks, guns, archery supplies, or boats. We would love if you decide to fish, please plan to bring your own equipment and follow rules of TPW, no license is required for anyone under 17 years old. . Camping fees will be paid by the troop. Electronics use by youth is not allowed on this trip, please leave them at home or in the car. Please RSVP at <https://www.TrailLifeConnect.com/event/etrage2my9pv>
